## Revenue Benchmark Data Request

Approved by OMB

3060-0842

Expires 02/28/1999

Estimated Average Burden Per Response: 250 Hours

**Notice to Individuals:** Pursuant to Congress's directive in the Telecommunications Act of 1996 that the Commission establish support mechanisms to ensure the delivery of affordable telecommunication service to all Americans, the Commission determined on May 8, 1997 that universal service support for rural, insular, and high cost areas should be based on forward-looking economic costs. As part of the forward-looking economic cost methodology, the Commission determined that it would select two revenue benchmarks to calculate the amount of federal universal service support that eligible non-rural carriers should receive. The data request solicits information from non-rural local exchange carriers to calculate the revenue benchmarks that will determine the level of universal service support. Your response is mandatory. 47 C.F.R. §§ 0.91 and 0.291.

This data request will be used to assist the Commission in implementing the forward-looking economic cost methodology used to estimate the amount of universal service support that will be provided to eligible non-rural carriers beginning July 1, 1999.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid control number. The control number assigned to this collection is 3060-0842.

We have estimated that each response to this collection of information will take, on average, 250 hours. Our estimate includes the time to read the instructions, look through existing records, gather and maintain the required data, and actually complete and review the form or response. If you have any comments on this estimate, or how we can improve the collection and reduce the burden it causes you, please write the Federal Communications Commission, AMD-PERM, Washington, D.C. 20554, Paperwork Reduction Project (3060-0842). We also will accept your comments via the Internet if you send them to [jboley@fcc.gov](mailto:jboley@fcc.gov). Please DO NOT SEND COMPLETED RESPONSES TO THIS ADDRESS.
